**BLUE CLIMATE
ACTION**
A SUMMIT SERIES

POWERED BY PLANETEER ALLIANCE

register here!

Greetings!

BreatheBlue Youth Summit 2023 is a comprehensive event that incorporates lectures, discussions, and interactive activities, all centered around the pressing issue of air pollution. With a primary focus on the impact of wind in the Delhi NCR region, the summit aims to address the challenges associated with this environmental concern. Esteemed Guest Speakers, well-versed in the field of environmentalism, will lead various sessions, providing students with opportunities to delve into specific aspects of interest pertaining to air pollution. Additionally, workshops on sustainable practices and innovative solutions will equip attendees with the knowledge and tools to combat air pollution in a sustainable manner. The BreatheBlue Youth Summit 2023 serves as a platform for passionate individuals to engage, learn, and collaborate in pursuit of a cleaner and healthier environment.

There will also be Creative Influence Sessions such as the ones mentioned in the **Schedule** (Art-O-Environment, Ciné-Activism) wherein students will experience the power of unconventional environmentalism, with hands-on activities, for which our Team will be providing participants with all required supplies.

- There is no registration cost, or cost to attend the summit.
- Foods and beverages will be served free of charge.
- There is no upper limit to the number of registrants from one institution.
- Students are not required to prepare anything beforehand, enthusiastic participation during the event will be highly appreciated.
- Students will be provided with notebooks and writing supplies to write down all important information.
- All attendants will also be gifted Planeteer Alliance giveaways as a token of gratitude for their participation.

The last date to register is **Tuesday, 23 July 2023**.

Please feel free to email us in case of any further queries at:
